

**CENTRAL BUCKS, COUNCIL ROCK, CENTENNIAL, NEW HOPE-SOLEBURY ACADEMIC SUMMER SCHOOL
MBIT CONSORTIUM AT MIDDLE BUCKS INSTITUTE OF TECHNOLOGY SECONDARY SUMMER SCHOOL
July 5th to July 31, 2012**

The Middle Bucks Institute of Technology Consortium offers *remedial and enrichment* courses for secondary students who will be in grades 7 to 12. For the 2011 Summer School courses can be completed in two ways:

Traditional Classroom

1. **Traditional classroom experience for both remedial and enrichment courses** requiring attendance at MBIT. MBIT is located at 2740 Old York Road, Jamison, Pa between Edison Furlong and Almshouse Road.
 - **Traditional Remedial courses math and PE and Health are designed for students who need to repeat a course not successfully completed during the school year.** These courses are NOT for initial credit. Offered in the classroom are Math, English and Health and Wellness. **Social Studies and Science will be offered only through the Virtual at home classroom.**
 - **Enrichment courses** are designed for students who need initial credit or for purpose of accelerating their academic placement.
 - Students taking enrichment courses attend class from 7:30 a.m. - 2:20 p.m.
 - Students taking .5 credits in Health and PE may have a flexible time schedule.
 - There will be a break for lunch at 10:10 for enrichment students and at 10:40 for remedial students taking two courses.
 - Students must provide their own lunch.
 - **No transportation is provided.**

2. Expectations:

Students enrolled in Summer School are expected to attend all classes. Credit for Summer School is based upon clock hours and requires **PERFECT ATTENDANCE**. Emergency circumstances may occur that result in school absence. Immediate contact must be made with the summer school office on the day of the absence to communicate the reason for the absence. For an absence to be excused, a student must return from the absence with a signed note from his/her parent/guardian or doctor stating the reason for the absence. At the discretion of the Summer School Director, any student who is absent from three classes in any course, regardless of the reason, will forfeit the course credit and related fees and will be removed from the class. Students who are repeatedly tardy may also be dropped from Summer School classes. Tardiness to class translates into a class absence in accordance with the following:

- Up to 10 minutes late to class = 1 tardy
- Up to 20 minutes late to class = 2 tardies
- Over 20 minutes late to class = 1 absence
- Students enrolled in Summer School are expected to attend all classes!
- Students who participate in the Summer School Program are required to follow the MBIT Discipline Code. The Disciplinary Code for MBIT is identical to Consortium Schools Disciplinary codes.
- Disciplinary actions may result in dismissal from Summer School. **No refunds for Summer School following disciplinary action are given.** MBIT and its grounds are smoke free areas. \$50.00 fines will be assessed and students may be dismissed for violations of this policy.
- Remedial students can attend one or two sessions. Sessions are held from 7:30 a.m.-10:40 a.m. and from 11:10 a.m. to 2:20 p.m.

Virtual learning (more information)

- Students access courses completely over the Internet.
- No additional course materials are necessary.
- Students may enroll in middle level or high school English, Social Studies, and Science.
- Students may take both traditional (math and PE) at MBIT and virtual courses: social studies, science and English at home.
- Sign up early for virtual classes, [WEB SITE](#)

Registration Information:

- **Register on line after May 1, 2012 @ www.cbconline.com/start_mbit.taf**
- If your child has not taken a summer course, click on the link on the left column marked New MBIT User sign up.
- If your child has taken summer school courses before, enter your email and password. The parent information is entered first and then the student information. Please make sure you choose the correct school district, school, and email address. Please edit your child's information and your email address if there has been a change.
- Enter the MBIT course number and click on the student's name. If you need a second course, repeat the same process.

- Checkout by entering your credit card number and clicking on “submit”. Payment must be made in full at the time of registration. If you have payment concerns, please contact your school’s guidance office.
- Mail in registrations for all courses and sessions are also accepted using the attached registration form. This form is also available www.cbconline.com/start_mbit.taf
- **Courses** are offered pending sufficient enrollment and staffing. Notification of course cancellations/changes will be received by June 29, 2012. If courses are cancelled refunds will be processed and mailed. **No refunds after Friday June 29, 2012 except if the course is cancelled.**
- For any questions email: mbitsummerschool@comcast.net call MBIT Summer School at 267.893.5707 (After June 1, 2012) or during the Summer Sessions at 215.343.2480 ext. 251

Remedial Virtual:

Students may take up to three virtual courses using a predetermined, consortium-approved school district curriculum provided through EDUCERE. Completion of virtual courses allows the students to work from their home to complete the required 60 hours of independent study per course. **All courses and assessments must be completed by July 31, 2012.**

- Upon completion of either mail in or online registration parents and students will receive log in information and course(s) number. This information will allow you to begin your online instruction no later than July 5, 2011.
- **Initial Virtual sign up will end June 29, 2012 at 5:00PM. If you register after June 29th classes will be a week late but the ending time frame remains the same.**
- Consortium Schools will not be able to provide assistance or solve support issues with your computer. Log in issues and problems related to Educere will be resolved by Educere at 866-4EDUCERE.

The virtual remedial courses available through Educere for MBIT summer program students offer the convenience of studying where and when it fits the registrant's schedule. The virtual courses are delivered through the internet, and include a syllabus, class lessons, instructor messaging system, grade book, and live access to virtual instructors from 7:30am to 10pm Monday to Friday, and 8am to 4pm Saturday and Sunday.

Details about a particular virtual course can be found by clicking on the course name provided below. A sample of a program, or a program demo, from the institution providing the program is also provided, when available.

Personal Learning Coach™

Education observers often point to the positive impact that a mentor can have on a virtual education program and its participants. Educere embraces this philosophy, and all Educere programs include a Personal Learning Coach™ assigned to support every student, educator and school. Below is an overview of the Personal Learning Coach™.

- Professional with training and/or experience in the virtual education field.
- Accessible by the student, educator and school through a toll-free phone number and email found on the program overview page.
- Supports student, educator and school throughout the entire virtual education process. .
- Helps the registrant adjust to the virtual education experience.
- Sends introductory email to new registrants introducing the Personal Learning Coach's™ role, as well as, in the case of students, the responsibilities of the student and parent or guardian.**
- Monitors the student's progress in courses, providing regular feedback to the student and parent or guardian, and school liaison.**
- Sends progress update to students, parents/guardians, and schools.**

Note: virtual summer school classes for students who do not make the prerequisite for the next class, but did not get a D or F. The students who earned a D or F would still be required to attend summer school and not complete the virtual summer school class. Course and Program Information

Generally, the courses made available through Educere are delivered primarily through the internet and/or computer. However, the methods used to deliver a given course could include any combination of the Internet, Email, Streaming Video, Streaming Audio, DVD, CD, Video Tape, Audio Tape, Real-time Telephone-based Meetings, Real-time Web-based Voice Meetings, Real-time Web-based Text Meetings, Print Materials, and Traditional Mail. Most courses are delivered in an asynchronous (anywhere, anytime) environment. A virtual instructor teaches each course, and students communicate with the instructor via email and/or toll-free phone number. An Educere Personal Learning Coach™ supports the student throughout the virtual education experience. The Educere Personal Learning Coach™ is not a tutor.
